ABOUT ME

My name is Betty N aged 23, weight of 63 and height 164cm. My parents own a small farm composed of food crops, pigs and poultry birds. I was born and raised on this family farm where I perform different roles on a day to day basis. I feed piglets, clean the hen houses, pick eggs and participate in the immunization of both the pigs and birds with the guidance of a professional veterinary doctor. We have a couple of fattening pigs for pork production as a major source of income and crops like maize, beans, cassava for home consumption. I am committed to being a positive, flexible and adaptive team member. I am looking forward to a Denmark internship program as this will enable me come back use skills knowledge and money to help expand on our family farm.
