ABOUT ME

I am Eva [REDACTED] Ugandan by nationality, standing on 168cm and weighing 67kgs. My father is a passionate farmer employing about 5 men on a farm of 25cows, 50pigs and 20goats and 9 acres of crop plantation that is mainly for home and farm consumption. My mother works in the community market where she sells farm products like milk, butter, cheese and meat that come from the family farm. I have grown through hands of hardworking people and developed a similar passion and objective to expand my parents' small scale farm and compete on a national market.
