ABOUT ME

My name is Shamira Y aged 27 years with weight of 61kg and a height of 168cm. I'm involved with the different agricultural enterprises that consist of dairy, poultry, piggery and goat rearing both at our family farm and community farms. My main areas of interest are piggery and dairy section as I closely work with pigs and cattle at the home farm.

I look forward to an opportunity to have my internship on a farm in Denmark as this will equip me with new modernized ways of farming.
