● ABOUT ME

I am Thembo Peter, a Ugandan, 165cm tall and weighing 63kg. I was born to Mr. Maate Eriab and Ms. Masika Geneva who are residents of Kasese district Uganda. My family has depended on Agriculture for a living for more than 30 years and I have grown up picking some farming skills and knowledge. We currently own a small mixed farm comprised of goats, and pigs, a smaller number of cattle. I am a very hardworking, intelligent, creative and career oriented young man. I am confident in my knowledge and experience in both piggyery and Dairy farming as well as other farming activities. This motivated me to enroll for a Diploma course in Animal Husbandry. I wish to implement my farming experience and skills to our Family Farm, turn it into a productive farm where people can be employed, freely learn, consult and observe modernized ways of farming. I therefore wish to implement all my knowledge, skills and motivation I will have gained from Denmark.
