● ABOUT ME

I am Kabule Ivan, from Kamuli District Uganda born to Mr.Kiseebe Samuel and Ms. Namugaya Rachel residents of Kamuli district. My father is a farmer and my mother has a shop in the village market. We have animals and crops on a small scale at our farm, that is we grow around 4acres of maize, beans, cassava and sweet potatoes and rear animal like goats and pigs. From our early childhood days we always helped our father in the garden during sowing, weeding and harvesting of the crops from the garden and also took turns in milking, cleaning the animal structures and feeding trough, feeding and general taking care of the animals on the farm. I'm good at communication, innovative, hardworking and a quick learner. My ultimate goal is to pursue a career in animal rearing, with the studies, appropriate guidance, knowledge, and skills I believe that I will be successful in achieving our family farm goals.
